Your Edenred card is now ready to be used.

The card offers 3 electronic wallets – for meals, benefits and recreation.

You will be able to use the wallets, for which your employer will provide a contribution.

During payment, your card identifies the venue, at which you are paying and automatically uses the funds from the appropriate wallet.

- **Don't you have an email address or internet access?** You can activate the card on the number 02/5262 7777, where you enter card number of your Edenred Card from the back side and activation code from this letter. You will be notified of the PIN code at the end of the call, so please don't end the call earlier.
- **You don't need a PIN code for payments up to €50.** For larger amounts, you can view PIN code when logging in to your online account at www.mojedenred.sk or in the mobile app MyEdenred. **You can change your PIN code for free at the MyEdenred app or at any ATM. The card has a new PIN when the card is renewed.**
- **The maximum daily limit** for payment from the meal (Stravovanie) wallet is €90, from the benefits (Benefits) wallet is €1,000, and from the recreation (Dovolenka) wallet is €500. The set daily limit cannot be changed.
- **In case of loss, theft or damage,** quickly block the card via MyEdenred mobile app or www.mojedenred.sk. The blocking of the card is permanent, it's not possible to change it after blocking and during the blocking it's not possible to use the card. Inform your employer about the blocking of the card immediately to ask to issue a new card for you.
